SCHOOL PLEDGE

We hereby pledge that we will uphold the good name and traditions of our school; that we will support its activities in all ways possible; that we will do all that is within our power to encourage the highest standard of character and scholarship; that we will be good citizens of Jasper Place Composite High School, of Edmonton and of Canada.

THE PRINCIPAL

TO THE GRADUATING CLASS OF 1967 - 1968

A feeling of nostalgia inevitably creeps in when anyone picks up his or her year book. So it will be when you . . . in years to come, pick up this book and are reminded of some of the classmates that you may have forgotten, or some teacher that you thought you would never forget — or some event or incident that was very important in 1967 - 68 but has been lost to memory in the months or years that have intervened. It is for this reason that we are grateful to the year book staff for their efforts in providing us with a permanent reminder of this year at Jasper Place Composite High School and the many memories that this book will revive for us in the future.

Approximately one-third of the two thousand students who jammed the halls of Jasper Place Composite High School will be leaving the security of these well-known halls and classrooms for the exciting, but sometimes harsh and demanding world of work, business or industry. We wish them every success in their further studies or their experiences as working men and women, and upon taking up the responsibilities of adulthood.

It has been a delightful experience to have joined you this year. The traditions of this great school are soon learned by anyone who becomes a part of the student body or staff. I have found you exhilarating, confusing, exciting and frustrating, but very, very special. My best wishes go to each of you, whether leaving school permanently or for a holiday.

The class of 1967 - 1968 has left its mark on all of us and has indeed proved that Jasper Place Composite High School is the BEST in Edmonton — in Canada — anywhere.
Good luck, good bye, God bless you.

DEDICATION

It is with great pride that we dedicate this year's *ECHO* to one our Faculty members who has faithfully and devotedly served his profession for over 40 years and our school for this past 17 years.

Mr. L. (Les) Geake was born in Vermont, U.S.A. Shortly after, his parents returned to Canada to pioneer in the Vermilion District.

After graduating from Camrose Normal School in 1925, he taught in the Vermilion District for six years. The experiences he can tell of these early days are many and varied. He has watched and been a part of a growing profession, contributing much to this growth. In his time he has passed through an era of one-room multi-grade schools (where he was not only teacher but caretaker, furnace stoker, doctor, guidance councillor and principal to boot) to the school complexes of today. He has kept pace with the times, not only in his own self, but in his teaching methods and knowledge. He serves as a source of inspiration to his fellow teachers, and can always be relied upon to encourage the new (and sometimes old) teachers to greater heights.

In 1934 Mr. Geake graduated from the University of Alberta with the B.A. degree. He taught in various areas until returning, in 1942, to the University of Alberta to obtain his B.Ed. degree.

The next three years saw him as Head of the Academic Department at Alberta College, and a teacher of the Sciences (his chosen field). After a years stay at McGill, where he studied science, Mr. Geake signed with the Jasper Place School Board in September of 1950 and began teaching English and Science in the old Central School. He then went to Jasper Place's first High School held in Britannia School. When the present Jasper Place Composite High School was opened in 1961, Mr. Geake became part of the Faculty and head of the Science Department (his present position).

After 40 years in the teaching profession, Mr. Geake will leave our school on June 25 to pursue his hobbies of photography, stamp collecting, gardening and travel.

Still loyal to his calling, he states that teaching is the most important of all Vocations.

His inspiration and personality will be long remembered by his colleagues and students, and we humbly dedicate this, our 1968 *ECHO* Year Book to our Mr. Geake. May he long enjoy his years of leisure, and we send him on his way knowing that he has had tremendous good influence on thousands of students, and he will be long remembered by them.

STUDENTS' UNION

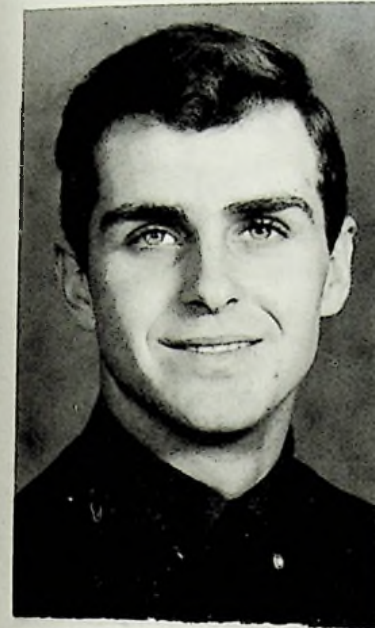

President's Message

It would seem to me that Centennial plus one in Jasper Place Composite has been as great, if not greater than any of the celebrated preceeding years. We have had some of the best dramatic productions in our school's history; our Rebel Band has become known as the finest High School Band in the city, and is continually pressed with engagements. We have excelled in athletics, too, bringing home a number of championships to the school. We also look forward to many of our students achieving honors and scholarships in academic and vocational fields this year.

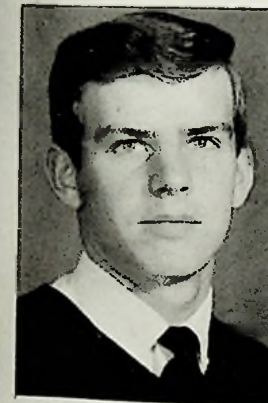

Certainly we must acknowledge the administration and staff for their efforts in making this school year such a success. Were it not for these people, we could not even have attempted some of the unusual and worthwhile activities we did.

Furthermore, the future of our school appears to be as bright as the past. Our school population is expanding more and more rapidly and as a result, in two years, there will be a new 6-storey addition. This addition to the school will not only make Jasper Place the best school in North America; it will make it one of the largest. How much larger and grander it will be in 1992 when we come back to open the Time Capsule is anybody's guess!

However, we shall always remember Jasper Place as the six-winged unit in which we were offered almost unparalleled opportunities to unfurl and develop our aptitudes and abilities. I know it will only be with pride that I say, "I was a student at Jasper Place Composite."

LARENE WOLKOW

VALEDICTORY

Mr. Chairman, Mr. Sawchuk, Honored Guests, Teachers, Parents, Senior Class of 1968:

Tonight will mark the hour of our official farewell. A farewell which takes with it the cherished memories of the happiness and hardships we have shared together at Jasper Place Composite; a farewell which sends with it strength and courage to meet the rising challenge before us. School for us has been an exciting experience. It has been a place where our abilities have been uncovered, where we have learned to interpret and understand people, life, and the relationships between the two. It has been a place where we were given an opportunity to unfurl our creativity, and, by doing so, find something of ourselves.

"We have crossed the hills, yonder are the mountains."

The hills we have crossed are many; the endless hours of hard study, the hard, straight-back desks, the unbearable crowding of school buses, the frightening sight of textbooks and binders filled with information, cramped fingers, aching backs; the list continues without end.

But how small these hills seem when we set our eyes upon yonder mountains. Each of us stands before his own mountain, be it steep, jagged, or ascendant by plateau. Each has a peak, majestic and serene, toward which he daily will climb. Each step we take or foot we ascend brings us closer to our goal. Opportunities open before us to use the knowledge we have acquired; yet we stand in awe of that which we have yet to learn.

As Dr. Bagen said earlier, "You can't climb a mountain without effort." Our climb requires the strength we have gained and the ability we have cultivated in ourselves for discernment and discovery. It demands the continuing courage to forge ahead.

The climb in which we are now engaged had to have a beginning. Its origin was in the first stages of our life. The life given to us by our Creator, God. The same One who created in us the ability to learn. To Him we give thanks.

Then, in the past, when we stumbled in our climb, we searched for footholds. Footholds which had been carefully and deliberately set in a pattern for us—not too easily attainable, yet not so far away but that they could be reached with prodding and determination. This afternoon we extend a most deeply-felt gratitude to our parents who have set each foothold in its place. The same parents who instilled in us the ambition to succeed and the self-will to continue even though we faltered. It was they who brought us to where we are in our climb today.

To our teachers we extend great appreciation for their aid in our climb. They have constituted the guideline we have followed and their direction and long hours of dedicated work have brought us growth in mind, soul, and body. To their wisdom we owe much credit.

Senior Class of 1968, the world has yet many mountains for us to conquer. Whether their paths lead us to the lengthy walks along the road of a trade or occupation, or to the towering buildings of a university campus, may we set our eyes upon those peaks, strengthen our inner confidence, improve and develop our youthful personalities. May we face the complexity of the present and the uncertainties of the future knowing that since we have trod this far, we can tread diligently and steadily a great many steps further; knowing that someday we will reach our summit.

May I leave with you this afternoon the words of a well-known song:

Climb every mountain, search high and low
Follow every byway, every path you know.
Climb every mountain, ford every stream,
Follow every rainbow, till you find your dream!

PRODUCTION

PRODUCTION CREW

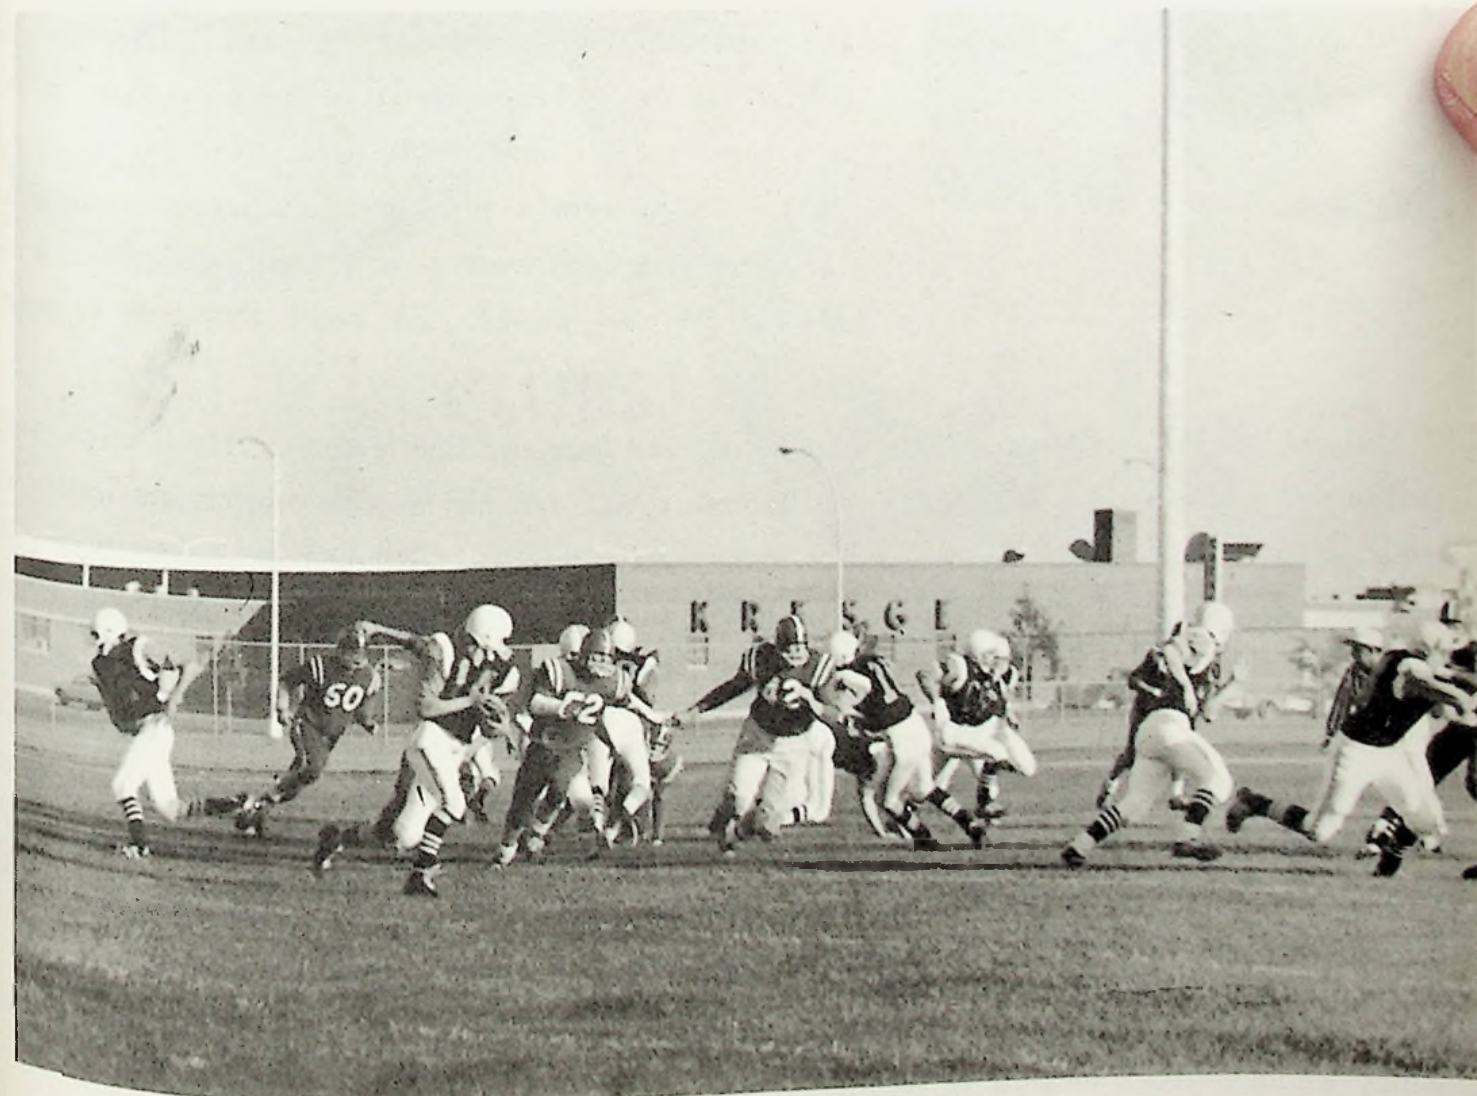

This year, as in the past, the J.P.C.H.S. *Echo* Yearbook is a fine production. After losing a large part of the Yearbook pictures and negatives, the staff was able to recover nicely. My sincere thanks to these people. Also thanks should go to the Grade X and XI students who returned for a yearbook picture retake when their pictures were lost. All of them returned except for about 40 of them. Special thanks should go to Mr. F. Mathew and Mr. S. Fossen of Graphic Arts, who, after discovering the loss of the pictures, spent many hours after school and on weekends to enable the yearbook to be produced. Also the Graphic Arts classes should be thanked for the time and energy spent by them on the production. I would also like to thank all the other people who co-operated with the Yearbook staff and congratulate the graduating class of which I am proudly a member. There is no reason why the future for us will not be bright and our lives prosperous. Many of us will be attending institutes of higher learning. For those, the future is particularly bright. Others will be going directly into the working world. In either case this year marks an enormous change for all. We will be given new freedoms and will be expected to handle these new freedoms maturely. There will no longer be teachers standing behind us making sure we do what we are supposed to in the manner we are supposed to. We will either fulfill expectation or find ourselves rejects from the human race.

FOSTER CHILD

In 1964, Jasper Place Composite High School decided to adopt a child through the Foster Parents Plan in Montreal. We were given Constantine Bastounis as a foster son from Greece.

Constantine was born on July 22, 1953. He now lives with his mother, his sister, Catherine (25), and his brother, Athanasios (21) in Athinia, a small village about ten miles from Corinth. No doubt the father worked too hard and overstrained his heart, for he died very suddenly of a heart attack. His family, left without his care, has faced struggle and hardship.

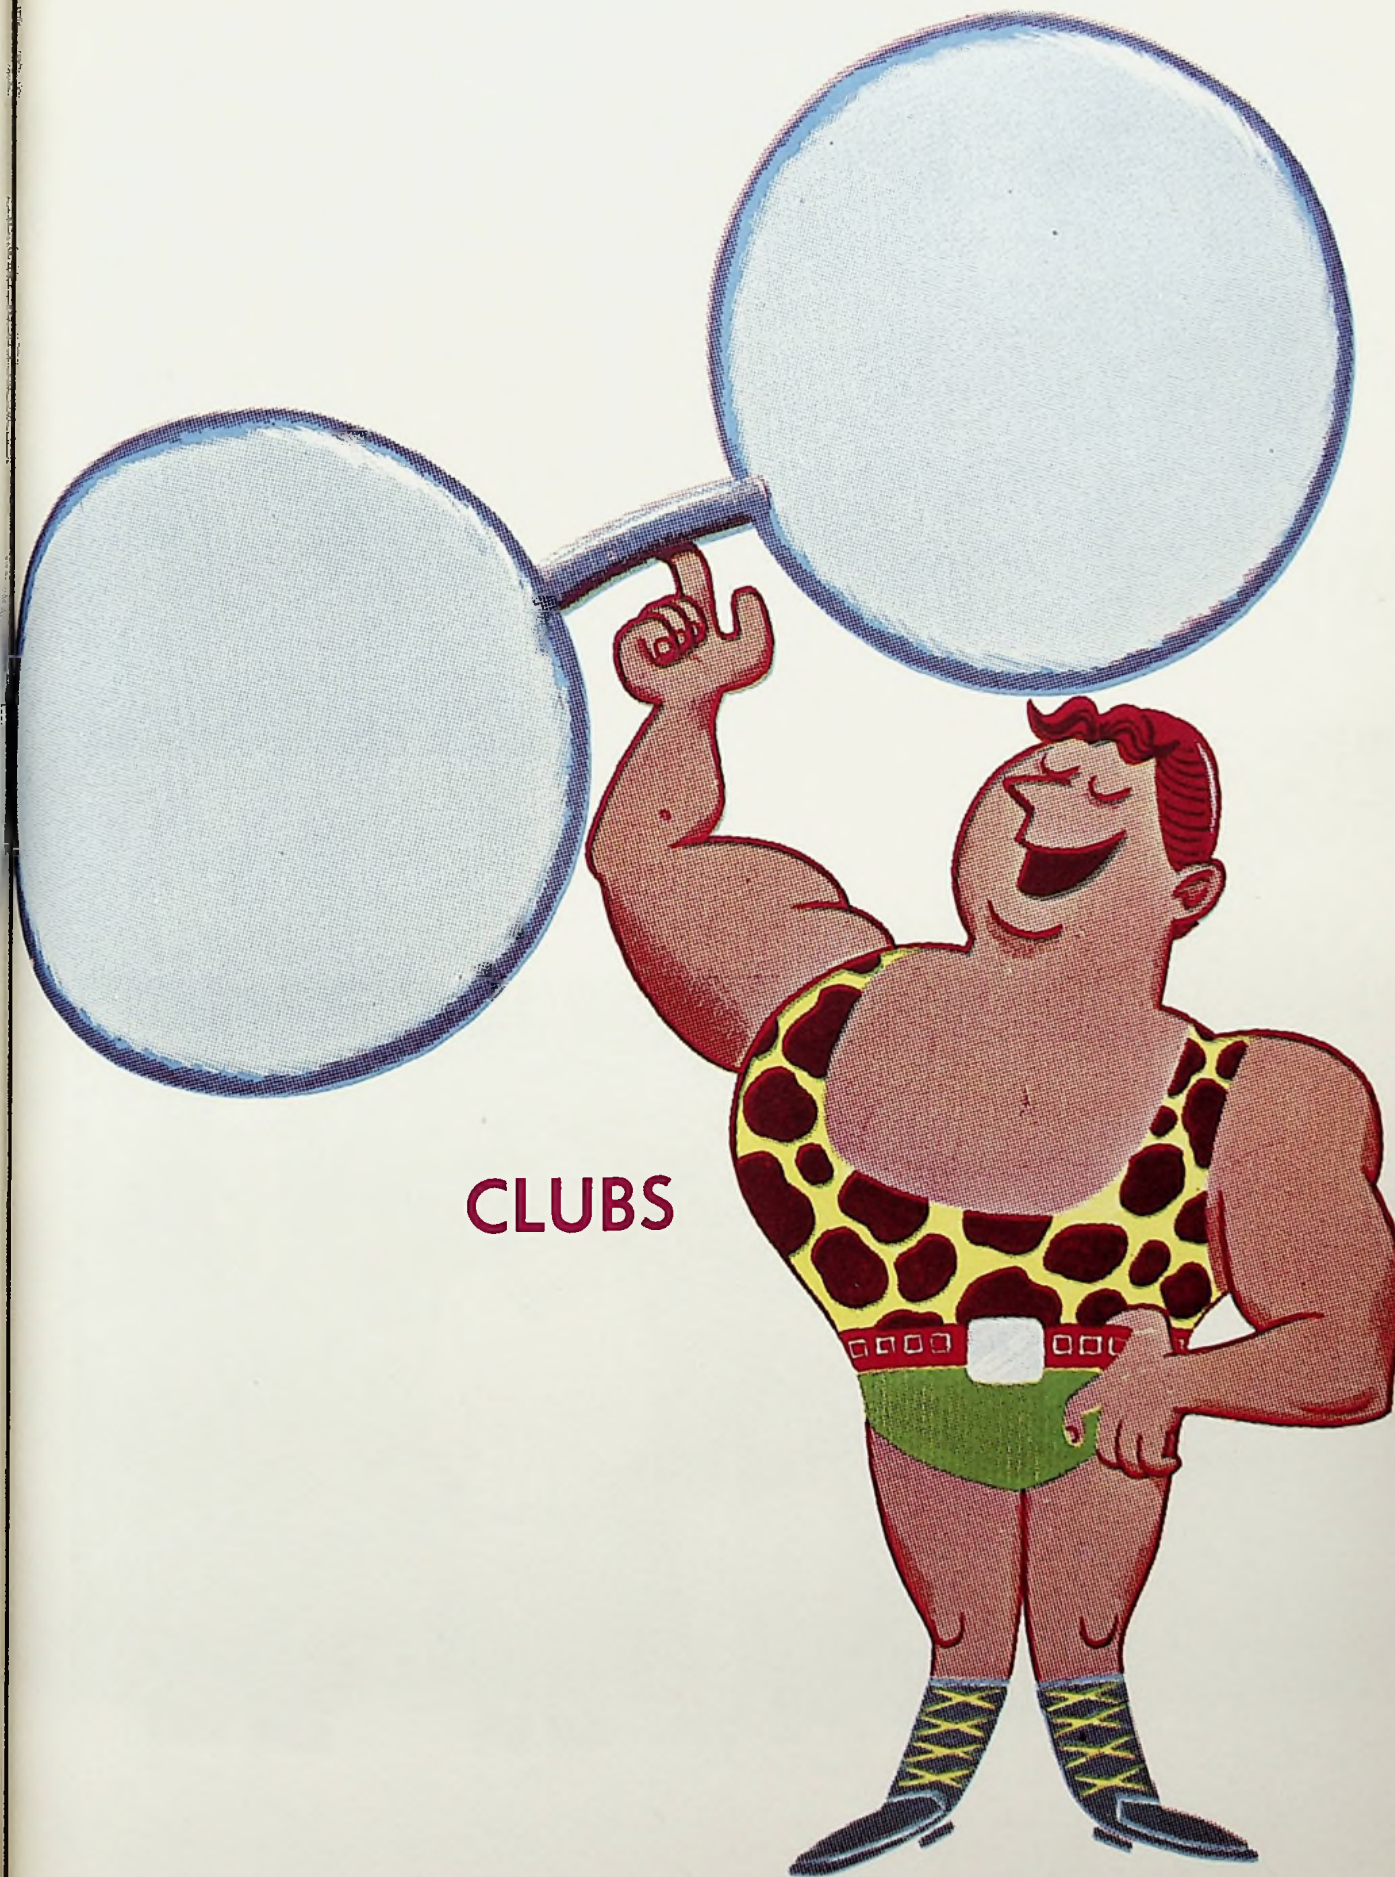

Fortunately, they own a small house and do not have to pay rent. This is made of sun-dried bricks and cement, and contains electricity and running water. They also own about $3\frac{3}{4}$ acres of fields planted with wheat, $\frac{3}{4}$ of an acre of vinyard and 10 olive trees. The crop, the grapes and the trees give them a small monthly income. Catherine and Athanasios both work as field hands and so add something to the total income. All in all, they have an income of \$28.67 a month.

Constantine is a youngster with brown hair and eyes and fine features. He is bright, polite and lively. He is now in the second year of high school and his favorite subjects are history and mathematics. In the future he would like to become a teacher. Although he enjoys playing the game of soccer with his friends, he finds he hasn't much free time to do so. In the evenings, after lessons are finished and tasks over for the day, he likes to read.

Each month Jasper Place Composite High School sends Constantine \$16.00. Eight dollars of this is given as a cash grant, while the other eight dollars is used for clothing, soap, towels, special medical care and education. In addition to this, we send him a Christmas and birthday gift. Usually, once a year, a Constantine Day is held to collect money for him, which helps contribute towards his birthday gift. In past occasions we have sent a bicycle, a radio, clothing and candy.

Our aid to Constantine assures him of his chance to get an education and offers the Bastounis family a much-needed measure of security.

CURLING TEAM

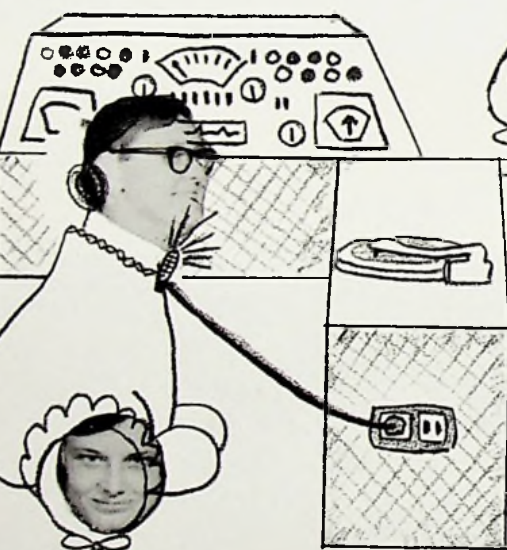

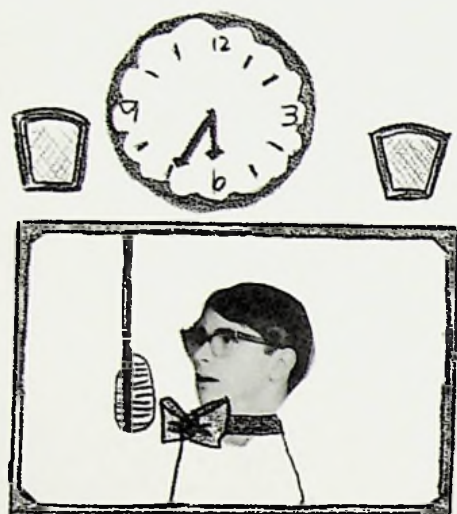

S. Andriashek
 John Dunstan
 Clyde Smith
 Robert Chelmick
 Jim Lazaruk

The J.P. Curling Team has had a very successful year. They tied with McNally for league championship, each with 11 wins and 3 losses. In the playoffs they won the City Championship. They also placed high in the standings of the Northern Alberta Playoffs. The team also did very well in a number of men's bonspiels at the Hillcrest Country Club. All in all, a very successful year.

RADIO BROADCAST CL

CASTING UB

R.B.C.

It has been said that the R.B.C. is not a unique club, but this picture defies all logic and the utmost sanity. Then the R.B.C. is not just any other club. In the past year there has been various new and different ventures that have been undertaken by this club. In the picture you see just some of the other sides of the R.B.C. members. Like, for instance, we see Craig Norris busily engulfed in announcing his radio show one noon hour. Of course Craig cannot be asked to do all the work so the production manager, Don Kimery, is helping by operating the equipment. Oh, yes, Craig is the chief engineer.

Someone said that the R.B.C. members do not have an opportunity to do the kind of work that they are best suited for, as an example of this we see Bruce Stibbard doing what he does best and Don doesn't mind it at all. Also, we see Ben Kijek, the lighting director, really lighting the stage for an up-coming dance. His assistant and assistant engineer, is Dan Allman, there was nothing that Dan could be asked to do as he is always doing something but never what he is supposed to be doing.

A student never has enough and this is true of Tom Rae who is an electronics student, and also involved with the lighting for past plays. Tom says that Dan and Ben need all the help they can get. Another student who never has enough is Dave Murray, only he says that he never has enough of the R.B.C. records in his private collection at home.

No wonder that the members can not do proper programs, Terri Flesher and Stu Hodgetts are always getting involved with everything, and always ready to lend a hand in any situation. Of course there is Dale Trask, known to his friends as Tiny Tim Trask, always ready to help at concession stand time. He occasionally sings while he works.

Here is Gary Peckham, the past secretary-treasurer for the club. He cannot resist the habit of looking in the mailbox in the General Office and bringing the mail to the Control Room. Occasionally Gary will find something other than a few bills.

Naturally a club cannot be a club without a staff sponsor, and the R.B.C. has Mr. McCaslin to head the fun luv'n' group. He is known as "The Boss."

All clubs have a member that is always talked into doing something that is not quite ordinary. Here is Brock Henry, he is called the Big "C" and does not like doing anything that means work. This club also has a member that is a non-conformist and our club has Gary "The Swinger" Real. Gary likes anything that means fun.

In the past several years the R.B.C. has been running the concession stand and here we see some of the main people working during one of the dances. On the pop machine we see Tom Pettinger. Don Henkel serving; Ken Rye, well what is Ken doing? Warren Wilson, again lying down on the job. Not all the people that the club boasts as members do what they are supposed to do. We see Velma Henderson watching her best friend, Sandra Henkel, getting payment for the hard work she seldom does. In control of this situation is Larry McLeod, club

chairman, and mediator (president). Since we're run out of members to paste on these weird pictures, and at the same time, things to say . . . goodbye, good luck for next year.

ASTRONOMY CLUB

The Astronomy Club is potentially a very active club for those interested in that portion of nature which lies beyond our own earth. Some of the activities which have been of interest in the past are: An 8-inch telescope mirror has been ground; an 8-inch telescope has been partially completed. Field trips to observe the night sky away from the city lights and smog can be arranged. A field trip to the Planetarium or to the telescope at Devon is very interesting. Also there are many interesting programs on film and books are available for the study of astronomy and telescopes.

AUTO CLUB

The Auto Club is working on an engine donated to the club by the school. The engine has been dismantled, bored and honed by the club members. The rest of the engine is to be finished before June. Next year the Auto Club is planning bigger and better projects.

BADMINTON CLUB

President — Kevin Anderson
Vice-President — Sherrill Henson
Secretary-Treasurer — Bertha Babych
Sponsors — Mr. Kailpillai, Mr. Brinker
60 members meet Friday nights.

CURLING CLUB

The curling club, consisting of 48 members which allows for 12 teams, meets regularly on Thursday at Hillcrest Country Club. They curl from 4 to 6 p.m.

The members chosen for the school team to represent J.P.C.H.S. at the Northern Alberta School Boys' Playdowns, were Jim Lazaruk, skip, Bob Chelmuk, third, Clyde Smyth, second, and John Dunstan, lead. J.P. came in fourth in this competition.

The Jasper Place Composite Curling Club offers all interested students involvement in a sport which is rapidly gaining popularity throughout Canada.
—Kathy Goss, Secretary

DRAFTING CLUB

The Drafting Club is a new club compared with many of the others. We started out very actively with a membership of 8-12 students, coming from Drafting 22, 32, and General Mechanics. We are very proud to say that we have already had a field trip to the Steel Co. of Canada, on the south side. The members found it to be very educational. Future trips are being planned for the club.

We have meetings on Wednesday afternoon, usually a film is included. On the executive this year we have elected the following.

President — Roy Svenson
Vice-President — Lorne Leland
Secretary-Treasurer — Dietert Jacobs

With the excellent help of Mr. R. L. Stauffer, staff sponsor and Drafting 32 teacher, we have started a service to the school. We reproduce graphs from text books onto transparencies for use in the overhead projector. Drafting room plans and blue printing are a few of the services we do for the school.

DRAMA CLUB

Executive:

President — Jim Green
Vice-President — Lydia Palylyk
Secretary-Treasurer — Ruth Littlefair
Club Adviser — Dale Franklin
Sponsor — Mrs. Rowe

After performing another version of "The Wonderful Wizard," the Drama Club started to prepare for the 1967-68 Year Play. "Don Quixote U.S.A." was performed before an appreciative audience Nov. 25 and Dec. 1 and 2. The role of Author somebody Goodpasture was portrayed by Daryl McInnell while Edith Tennon played Conchita and Clyde Smyth portrayed Acacia.

A number of theatre parties were organized to attend the productions of "Barefoot in the Park", "Barber of Seville", the Year Plays at St. Francis Xavier and Victoria Composite High Schools, and Madel Theatre plays. During National Book Week, the Drama Club performed various one-act plays and skits in the city's libraries.

The musical selection, Camelot, was performed March 28, 29 and April 4 and 5. King Arthur was played by Dale Franklin, Sir Lancelot by Peter McVeil and Jim Zimmer, Lynda Earl and Rita Smyth portrayed Guenevre and Merlyn was played by Rick Noonan.

At publication, the Drama Club is busy electing new executive for the 1968-69 term.

FASHION and MODELLING

Fashion flair for the '67 and '68 season has been most unpredictable and surprising, but certainly colorful and a lot of fun.

The girls of the Fashion and Modelling Club feel that 1967 — our Centennial year — has been one of the most fantastic years of their lives.

Well it has also been a fantastic fashion fair — ushering out 1967 and welcoming Spring 1968, with the "Romantic Look" and explosive colors; from hardware jewellery to soft bunny curls.

The main objective of the club is to teach the girls how to co-ordinate clothes; wear flattering lines for a particular figure type, good grooming, and neatness. Hairstyles and make-up application was a very important part, but also, learning to work with other girls and learning to co-operate and enjoy working with important people connected with the fashion world. Some of the girls have participated in the Edmonton Teen Council fashion shows.

Our most successful show this year was done for Simplicity Patterns, Zellers Ltd. sponsoring the presentation of fall and winter clothes. The show was in the main gym, previous to the Hallowe'en Dance. Graphic Arts took many pictures of the show, and R.B.C. provided the musical background. Our commentators were from Simplicity Patterns — Montreal and New York.

The girls sincerely thank our sponsor, Mrs. Ziel. She is a fantastic person to work with — and was a valuable asset to our club.

GERMAN CLUB

Unique in Edmonton's high schools, J.P.'s German Club has, in the past, held weekly discussions, films and related activities. We held a traditional German Christmas party at the home of the president.

For the latter half of the year, hayrides, toboggan parties, picnics, more discussions and films were shown. The films were loaned to us free of charge by the German Consul here in Edmonton.

HAM RADIO CLUB

The Ham Club's main purpose is for its members to obtain a Ham licence, which will enable them to communicate long distances via transmitter and receiver, basically a radio station. At the moment the club's equipment lists an AT3 transmitter, an AGT transmitter, a Hammond receiver, several keys, and a frequency meter.

In past years "Hams" have proven themselves countless times as being invaluable and useful parts of the community. In many instances in times of disaster, Ham radio operators have been the only link of communication with the rest of the world.

Also Ham radio operators have been asked from time to time to perform a variety of specialized communication services.

The main reason, however, why Ham radio operators do operate their stations is the challenge of long distance communication with fellow "Hams". An experienced Ham can pride himself on his knowledge of skip conditions pertaining to atmospheric conditions, his knowledge of transmitter and receiver fundamentals, and his knowledge of transmission and reception characteristics. Although it might be easier and cheaper to pick up the telephone and call the person, there is no technical skill required as in Ham radio.

HAIRSTYLING CLUB

The Hair Styling Study Club consists of 23 members. One of the most prominent contributions of these members is the "Style of the Month" column, which appears in the Highlights with each edition. Some of the functions it arranges are the hair style and fashion show in May and the demonstration of changing fashion and hair styles throughout the year at teachers' luncheons and student gatherings. Members of the club are also given the opportunity to lecture at various schools and functions.

I.S.C.F. CLUB

The Inter-School Christian Fellowship Club is a world-wide, inter-denominational club which appeals to students of every walk of life. It is based on activities which include sundre riding weekends, camping trips, hayrides, hootenannys and other physical activities. It has films, records, and Bible studies for thought. The club holds weekly supper meetings which provide closer companionship.

The aim of the ISCF is to know Christ and make him known to students on their own level.

The club encourages free discussion of the Christian faith outside the confines of the church. It seeks to raise and answer questions about ourselves, our lives, our destiny, by searching the Bible.

President — Linda Lawson
Vice-President — Neil Borgen
Secretary — Linda Kulchysky
Treasurer — Betha Penny
Social Convener — Greg Crossen

JUDO CLUB

The Jasper Place Composite High Judo Club, now in its second year of operation, has about twenty members, including four girls, who practice regularly three times a week.

The Judo Club, sponsored by Mr. Blue, tries to accomplish two things: teach students the physical skill of Judo, and instill in students a knowledge of the philosophy of Judo, part of which is an understanding of fair play and sportsmanship.

Judo club members have, to date, competed in no tournaments this year, but will before the end of the school year, compete in tournaments in Lethbridge, Red Deer and Edmonton. Members were graded in early March.

President — Tom Smyth
Secretary-Treasurer — Jack Love

KITCHEN KAPERS CLUB

Kitchen Kapers is a cuisine club that was organized this year under the sponsorship of Mrs. Melnyk and Mrs. Kelly. At noon, every Wednesday, the club's membership of approximately 12 girls, meet to exchange ideas about foods and the ways of preparing them.

A highlight of the year's activities was the making of a Candy House at Christmas, which received television coverage when it was presented by the group to the children at the Charles Cammell Hospital. Such activities, the continued experimentation with food, justify the existence of Kitchen Kapers which has brought the satisfaction of giving and the pleasure of exchanging ideas to its members.

LIBRARY CLUB

The Library Club was started for the benefit of its assistants and the students of Jasper Place. There are also students who give up their studies to help in the library. The assistants are taught the types of books, fine system, types of magazines, incoming and outgoing books plus other things. We also engage in other activities such as:

- 1) Visit to the Centennial Library
- 2) Skating
- 3) Luncheons
- 4) Valentine's Party
- 5) Tobogganing

The executive is:

President — Jeanne Reinhard
Vice-President — Opal Gillespie
Secretary-Treasurer — Coretta Henecker
Social Convener — Astrid Martin
Sponsors — Mrs. Kelley, Mr. Strand,
Mrs. Lee-Wilson

There are 40 permanent student members.

MIXED CHORUS CLUB

This year's Mixed Chorus, under the leadership of Mr. Newman, was the only high school chorus to participate in the Rotary Christmas Carol Festival. The Christmas season was a busy one for the chorus which also participated with bands in a Christmas festival at J.P. Our next appearance was at the Student Showcase Assembly. On February 29th the mixed-voice chorus appeared in concert with the band. Future activities include the Kiwanis Music festival and in the chorus of Camelot. Chorus members practice twice weekly, once at a sectional rehearsal and once at a full rehearsal. This year's executive includes:

President — Rita Smyth
Alumni Secretary — Doris Krueger
Librarian — Sharon Good
Attendance Secretary — Dianne Patychuk
Social Convener — Danny Allman

PHOTO CLUB

The Photo Club with sponsor Mr. MacKeage, sponsor Mr. Stitt, president Don Martin, and secretary-treasurer Darlene Barnett, has participated in many more activities this year than last year. We have also purchased a new set of lights which will be used at Grad Night. We were present at Black Cup Night, and the Valentine's Dance, and we will be taking pictures at Grad Night, the same as last year. The club has been on field trips, including several expeditions to take night shots. We have gone on field trips to black and white, and color processing plants, and we are planning to take a field trip to Mr. Cantelon's studio to take a look at portrait photography.

POLITICAL SCIENCE CLUB

We, as members of the J.P.C.H.S. Political Science Club, do hereby pledge total interest in the truth to political events and the causes behind them. In accepting this membership we shall dedicate ourselves to the search for truly unbiased answers, allowing neither political nor religious prejudices to interfere with our conclusions. In politics there exists but one answer — the truth; and it is the aim of this club to find it.

Signed,
—Anyone who wants the truth

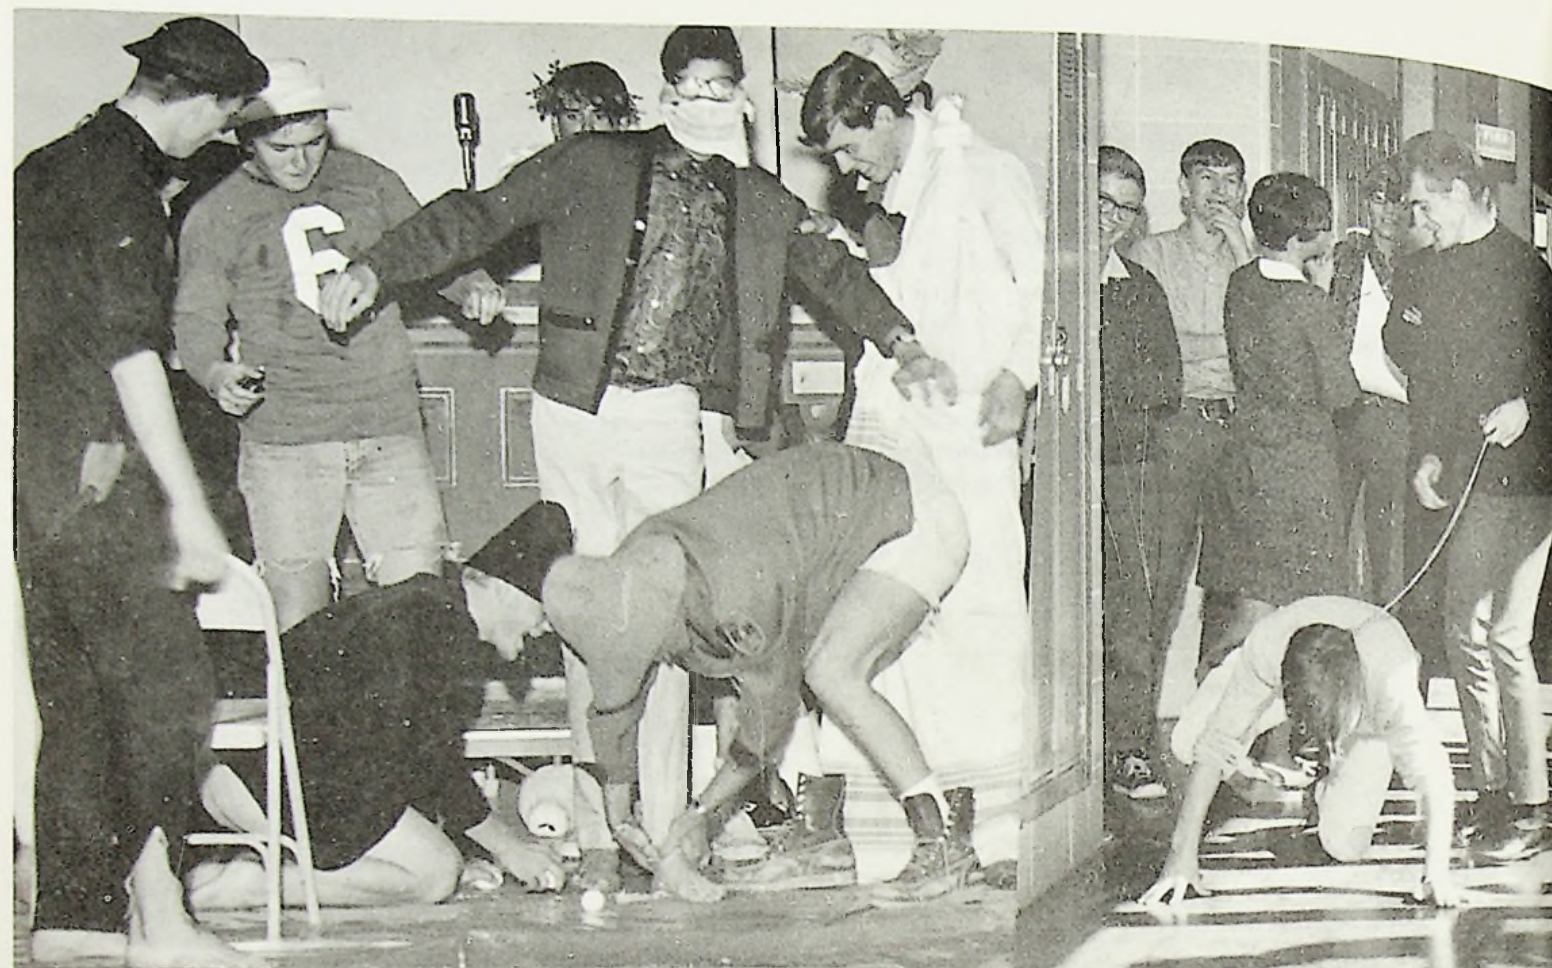

QUILL CLUB

The Quill is a literary magazine of the students, by the students, for the students. We, of the Quill, wish to provide an opportunity for students with creative talents in writing or art to publish their works. Contributions can be made by any student and they are greatly appreciated. This year we displayed a variety of articles; ranging from an amusing issue of bedtime stories to the more serious Sir Winston Churchill essays. It is hoped that the student body has become more conscious of the ideals expressed by the authors. We wish to thank Mrs. Saville, Mrs. Billau, Miss Jones, Mr. Fossen, Mr. Mathew, and the Graphic Arts Department for their assistance in these publications.

SCIENCE CLUB

The Science Club this year has undertaken the active sponsorship of various projects in Chemistry, Physics and Biology by providing equipment, facilities, and money. The club also shows films of scientific interest during noon hours. Meetings are held on Tuesdays in Room 144. New members are always welcome. Staff sponsor is Mr. Evans and the executive is Thysselina Dammeyer, secretary, Greg Dickson, vice-president, Otto Weiglein, president.

J.P.C.H.S. SENIOR REBEL FOOTBALL TEAM 1967-68

BACK ROW, left to right: Bill Stevenson, Glen Jackson, Warren Sharp, Bob Dayman, Brent Hungle, Rick Pettinger, Lyndon Dorval, Herb Moore.

MIDDLE ROW, left to right: Mr. Wouters (coach), Andy Geddes, Mr. Tribble (coach), Larry Van Weiren, Don Edmonds, Bill Krause, Jim Lazaruk, Dave Williams, Gary Gardner, Ernie Awberry, Dan Melnychuk, Terry Cairns, Bud L'Hirondell, Rick Parker (manager), Brian Berestovy, Mr. Walker (coach):

FRONT ROW, left to right: Geoff Deakin, Dana Anderson, Les Jingling, Bryan Coffin, Jim Johnstone, Bob Johnson, Doug Stubbs, Dave Bruner.

After a slow start and a series of injuries, the Senior Rebel football team under rookie head coach Mr. Kees Wouters completed the season with a creditable 3 and 3 won-lost record. Plagued by injuries throughout the season, this team was never beaten badly and missed defeating city champion Victoria Composite High School by one point. Rookie quarterback Ernie Awberry was chosen as an all-city all-star.

J.P.C.H.S. JUNIOR REBEL FOOTBALL TEAM 1967-68

FRONT ROW, left to right: Bill Berry, Jeremy Kredentser, Allen Dunn, Sid Snelling, Grant Kruse, Jerry Titley, Kirk Barber, Gordon Wolkes, Barry MacPherson, Sam Coutney, Brian Hepperle.

BACK ROW, left to right: Jack Allen (coach), Kelly Traviss, Jim Hubbell, Gary Edighoffer, Bill Burnett, Brian Andrus, Jim Spratlin, Brian Luciuk, Bob Gamble, Bob Barnett, Don Wharton, Dale Cocks, Rick Ramsden, Lenny Davidson, Brian Hart, Jim Heffel, Eugene Patrie, Gilbert Davies, Bill Evans, Bill Davidson, Bob Parry, Dana Rhodes.

This year the junior football team did not have as successful a season as in the past. Winning only three out of the six games, they placed fourth in the division.

The team started slowly as they lost the first two then came back to win three straight. The last game was lost and the Junior Rebels were eliminated from further play. The team, comprised mainly of rookies, will have basically the same line-up next season. Hopefully they will regain the city championship.

J.P.C.H.S. SENIOR REBELETTE VOLLEYBALL 1967-68

BACK ROW, left to right: Sheryl Hanson (manager), Maurie Smith, Mandy Bailey, Marcia Brooke, Cheryl Elder, LaDonna Wolkow, Barbara Foreman, Mrs. Sande (coach).

FRONT ROW, left to right: Linda Threadgold, Brenda Fraser, Bertha Babych, Wanda Crew, Jackie Fruno, Gloria Choppen.

With only three returnees from last year's volleyball team, the senior girls had a good season. Playing a total of 32 games, the team came through with an even win-loss record with one tie. This put them in fourth place in an eight team league. Next year's team looks very promising as ten members of this year's team will be returning for another season of competition.

J.P.C.H.S. JUNIOR GIRLS' VOLLEYBALL 1967-68

FRONT ROW, left to right: Alyson Caouette, Gaye Edmonds, Marion Carmody, Lois Armstrong, Joy Bressmer.

BACK ROW, left to right: J. Villett (coach), Shirley Ducey, Elaine Symko, Jane Lazaruk, Barbara Sankey, Barbara Choppen, Cheryl Roberts, Esther Allman (manager).

MISSING: Valerie Woolsey.

Practices for the Junior Volleyball team commenced in late September with the first game of the season only scant weeks away. The following girls were chosen to represent J.P.C.H.S. on the team. Captain Elaine Shymko, Shirley Ducey, Joy Bressmer, Gaye Edmonds, Cheryl Roberts, Jane Lazaruk, Marion Carmody, Alyson Caouette, Valerie Woolsey, Barbara Choppen, Barbara Sankey, and Lois Arnason. Esther Allman was team manager. The team was fairly consistent all season and played well. Top scorer for the team was Cheryl Roberts who scored a total of 91 points. Won and lost record was 14 and 25 respectively to finish off the season with a total of 14 points.

J.P.C.H.S. SENIOR BOYS' VOLLEYBALL 1967-68

BACK ROW, left to right: Bob Johnson, Barry Anderson, Bob Wopnford, Andy Geddes, Herb Moore, Mr. Scherban.

FRONT ROW, left to right: Keith Tait, Doug Drummond, Les Jingling, Chris Bolten, Medric Martin.

The Senior Rebel volleyball team played in the north division of the City High School league along with Queen Elizabeth, Ross Sheppard, St. Joseph's and Victoria. Backed by the playing power of Herb Moore and Andy Geddes, the red, white and black machine compiled a won-loss record for 3rd spot — not quite enough to make the city play-offs this year. A few games, which could have gone either way, may have made the difference as the team displayed enough potential to be a playoff contender.

J.P.C.H.S. SENIOR GIRLS' BASKETBALL TEAM 1967-68

FRONT ROW, left to right: Brenda Frazer, Lori Schmidt, Laurel Gatenby, Valerie Leach, Bertha Babych (captain), Wanda Crew.

BACK ROW, left to right: Dorothy Nichiporik, Elaine Assu, Shauna Miller, Mandy Bailey, Marcia Brooke, Bonnie Benello, Susan Watson (manager), Mrs. M. Sawford (coach).

Practices started early in November, getting the season off to a good start. An exhibition game against St. Francis gave the Rebelettes their first win. Regular league play began on January 9th and ended in March. A total of six games were scheduled in which the team won three and lost three. Total points for was 162; against 213. The Rebelettes did not qualify for third place after playing two extra games. Bertha Babych was captain and top scorer — 39 points.

J.P.C.H.S. JUNIOR BOYS' VOLLEYBALL 1967-68

BACK ROW, left to right: Ron Forsythe, Brian Hart, Mr. Young (coach), Bill Stevenson, Ralph Khean.

FRONT ROW, left to right: Clarence Trebell, Dale Cocks, Doug Guy, Albert Wesley.

The Junior Boys' Volleyball team competed in the North Edmonton 5-team loop (Queen Elizabeth, St. Joseph's, Ross Sheppard, Macdonald, Jasper Place). St. Joseph's won this competition and Jasper Place placed third. This eleven-member team gained some good experience from the season's play and enjoyed some good fun together.

J.P.C.H.S. JUNIOR GIRLS' BASKETBALL TEAM 1967-68

FRONT ROW, left to right: Alyson Caouette, Pat Germaniuk, Esther Allman, Diane Lennox (captain), Marcia Tait, Marion Carmody.

BACK ROW, left to right: Miss Holeha (coach), Valerie Simpson, Patti McFarland, Cheryl Elder (assistant captain), Barb Choppen, Jane Lazaruk, Stacey Kaehn.

MISSING: Peachy Austin, Peggi Selby (coach's helper).

The aim of this team is to develop good sportsmanship and to prepare the girls for Senior Basketball. These girls are in Grades Ten or Eleven.

The high scorers in league competition for this year were Marcia Tait with 23 points, Peachy Austin, 20 points, and a tie for third place. Both with 14 points were Pat Germaniuk and Alyson Caouette. This year's team captain was Diane Lennox and co-captain was Cheryl Elder.

J.P.C.H.S. SENIOR REBEL BASKETBALL TEAM 1967-68

BACK ROW, left to right: Warren Sharp, Herb Moore, Roger Perron, Mike Frisby, Gerrit Aronson, Spence Bryson, Mr. Spencer (coach).

FRONT ROW, left to right: Terry Cairns, Dan Melnychuk, Medric Martin, Chris Bolton, Les Jingling (manager).

The 1967-68 edition of the Jasper Place Rebel Basketball team was the shortest in the league in height but the greatest in spirit. They became the only team in the city to beat the Ross Sheppard Thunderbirds in two out of three contests.

This year belonged to Chris Bolton, who at 5'6", came seventh in the city in scoring. There were so many outstanding rookies on this year's team that next year the Rebels will enter the league with both the desire and the experience necessary to take all the marbles.

JUNIOR REBEL BASKETBALL TEAM 1967-68

BACK ROW, left to right: Mr. Inglis (coach), Albert Wesley, Bill Evans, Brian Hart, Bill Stevenson, Barry Anderson, Curt Wolsey, Chris Peachment (manager).

FRONT ROW, left to right: Ron Forsythe, Bob Salahub, Bob Talbot, Bob Johnson, Leonard Mercer, Clarence Trebell.

The J.P.C.H.S. Junior Boys' Basketball Rebels finished a successful season this year. The team had an average height of over six feet which was combined with enough experience to see them defeated by only two different teams in regular season play. This gave the Rebels second place in their league. Semi-finals saw the Rebels bomb Bonnie Doon 92-31 and then bow to undefeated St. Joseph's Saints 62-52.

isque, Eugene Adams, Mr. Kroon (coach).

FRONT ROW, left to right: Carl Johnson, Keith Tait, Doug Drummond, Frank
Ryan, Chris Bolton, Medric Martin, Herb Eli.

Drawing the majority of their talent from the superb soccer players from the Indian Residential School, J.P.C.H.S. senior soccer teams always give a good account of themselves. They have currently won one game and lost two but have not been disgraced in any game. Medric Martin, Herb Eli, Chris Bolton and Herb Moore form a solid nucleus, with Grade Ten rookies Brian Hart and Bill Stevenson showing great promise.

J.P.C.H.S. BADMINTON TEAM 1967-68

BACK ROW, left to right: Mr. Koilpillai (coach), Gord McPhee, Bill Berry, Herb Moore, Dick King, Gordon Wilkes.

FRONT ROW, left to right: Wanda Crew, Maurie Smith, Mandy Bailey, Bertha Babych.

One of the strongest badminton teams to represent J.P. took the courts against other high schools this year. In a very difficult league the team took all points in one evening's competition and placed fourth in their league. With limited gym time available, J.P. badminton team representatives did very well.

FRONT ROW, left to right: Charlie Stepaens, Ralph Makokis, Albert Wesley, Ron Forsythe, Dale Cocks, Tony Potts, Bob Daly.

Soccer returned to J.P.C.H.S. this year with two representative teams. Our junior representatives above, at the time of writing, have tied their first game. Drawing from some excellent Junior High School talent, great things are expected of this team and from J.P.C.H.S. soccer teams years to come. New uniforms are in the offing and a concerted effort to give soccer its rightful place in the athletics program will be put forth..

REBEL SWIM TEAM

FRONT ROW, left to right: Bob Kroon (coach), Cathy Revers, Alyson Caouette, Linda Mehus, Kim Ward, Kevin Anderson, Evan Penny.

BACK ROW, left to right: Andrew Barron, Shauna Miller, Patty McFarland, Beth Penny, Laurel Gatenby, Don MacDonald, Les McElwain, Dan O'Neill, Bruce Christensen, Ed Weiss, Marion Carmody, Hans Kruger, Brian Andrius.

A very strong swim team represented Jasper Place Composite in inter-school competition this year. Highlight of the season was a victory over the Scona Composite powerhouse. Marion Carmody was the outstanding female swimmer with the strength on the male swim team being divided quite evenly. In the high school final swim meet all team members were involved and placed as one aggregate third of nine competing schools.

REBELETTE GYMNASTIC TEAM

BACK ROW, left to right: Wendy Tuff, Suzanne Cole, Penny McSparron, Wendy Popowich, Alyson Caouette.

FRANT ROW, left to right: Mrs. Sande (coach), Ingrid van Dolder, Lois Arnason, Kathy McKinnon, Esther Allman, Marion Carmody, Barbara Choppen (manager).

The girls' gymnastics team had a very good year, placing a close third in the final high school meet. There were three levels of competition — novice, intermediate, and advanced; and events to compete in — free exercise, balance beam, unevens, vaulting, mats, and trampoline. Although good performances were given by all team members, the following girls deserve special mention: Debbie de Sutter, Alyson Caouette, and Suzanne Pytel placed second in their divisions as best all round gymnasts. This was an excellent showing considering that there were about 100 competitors. With the complete team returning for next year's competitions, the school should do very well.

REBEL WRESTLING TEAM — CITY CHAMPIONS

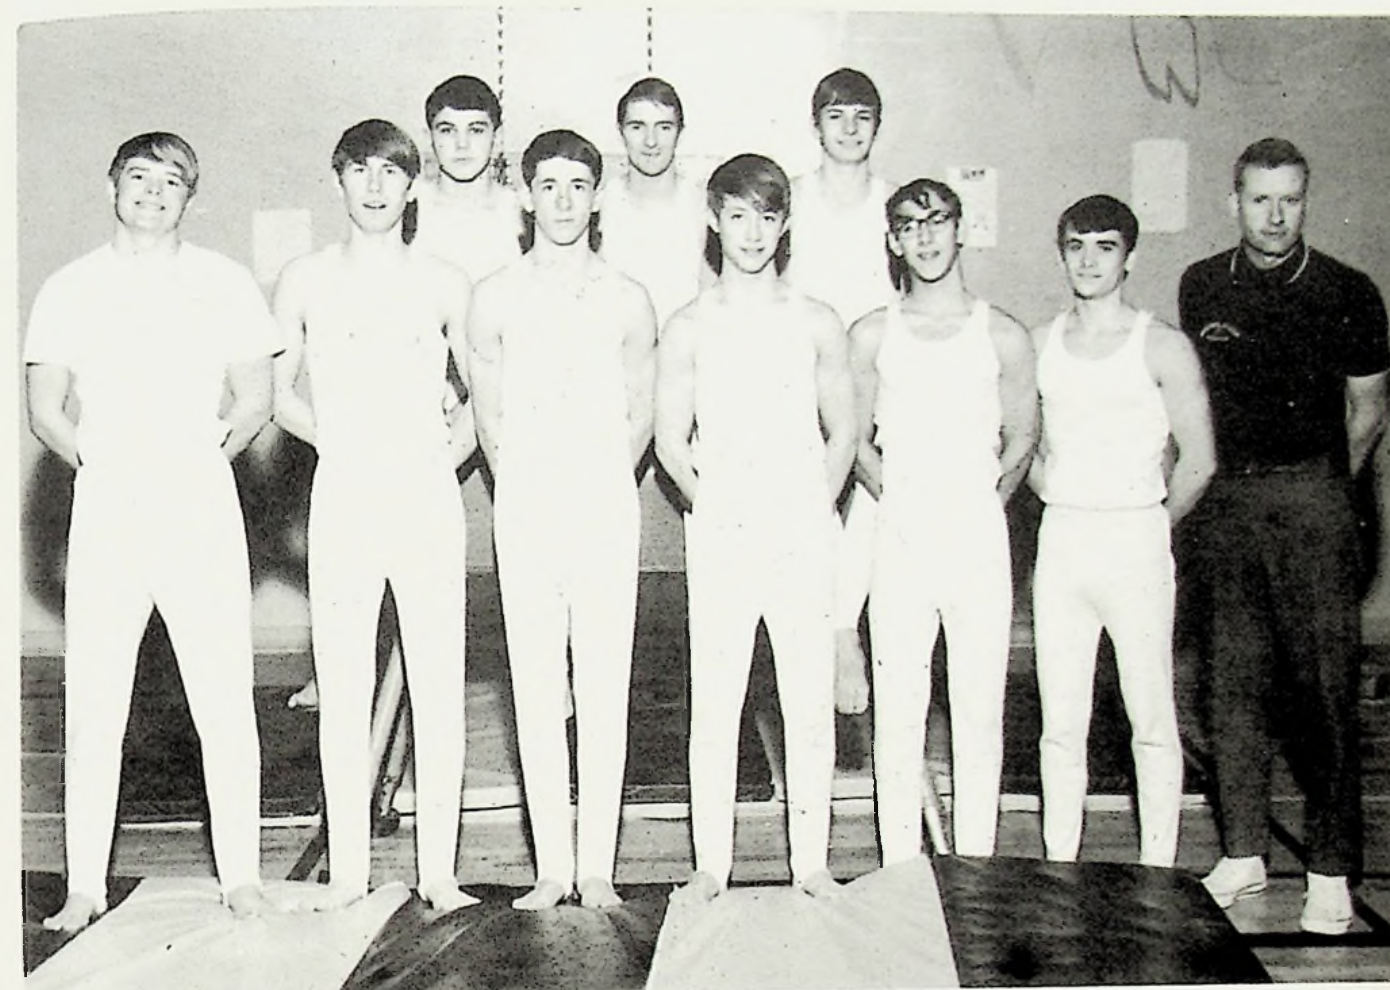

FRONT ROW, left to right: Melvin Buffalo, Jeremy Kredentser, Rick Parker, Les Jingling, Kim Israel, Mike Bright, Lloyd Hornland, Terry Cairns.

SECOND ROW, left to right: Mr. Naylor (coach), Brian Coffin (manager), Dennis Dallyn, Ewald Will, Brian Hepperle, Warren Owen, Barry Knight, Bob Marshall, Todd Perusini, Sam Coutney, Dennis McDonald, Brian Frasc, Doug Stubbs (manager).

THIRD ROW, left to right: Herbe Moore, Bob Salahob, Mike Kerr, Bill Evans, Phil Pawlyk, Bill Stevenson, Roger Riis, Don Wharton, Albert Dening, Bob Owen.

On April 15 and 16 the City High School Wrestling Championships were held at the University of Alberta and for the third consecutive year Jasper Place took home the City High School Championship trophy. Eleven firsts, eight seconds, and six thirds made up a total of 23 ribbons won by our wrestlers. The year was climaxed when our three most outstanding wrestlers won medals at an International Tournament in Vancouver over the Easter holidays. They were Terry Cairns, Kim Israel, and Jeremy Kredentser.

REBEL GYMNASTIC TEAM — CITY CHAMPIONS

BACK ROW, left to right: Flemming Larsen, Clarence Trebell, Edwin Weiss.

FRONT ROW, left to right: Mr. Enger (coach), Dennis O'Hara, Marvin Wakaruk, Brian Platten, Dave Rouse, Wayne Yates, Hans Kruger.

Members of the above team combined to bring the Men's Highschool Gymnastics Championships back to the J.P. trophy case after a one-year absence. Marvin Wakaruk and Dennis O'Hara won the advanced team championship. The remaining team members were novice gymnasts with Dave Rouse being named all-around novice gymnast and Brian Platten placing third. Platten and Rouse also were provincial champions in the novice class this year.

J.P.C.H.S. CROSS COUNTRY TEAM 1967-68

BACK ROW, left to right: Wayne Hislop, Dennis Barnes, Randy Hoffman, Vern Stevenson, Bob Owen, Bill Burton, Brian Gauriloff.

FRONT ROW, left to right: Pat Issac, Tony Potts, Dave Rouse, Brent Richards, Kevin Anderson, Harold Vasileff.

But for the lack of one man per team the cross country team would have copped three championships in all, as a result only the 14-15 year age group were declared champions. Kevin Anderson, Harold Vasileff, Dave Rouse, Brian Garriloff and Tony Potts were on this team. A very demanding sport, the team members all placed well and should have continued success.
